It Was the Opinion of the Members That a Big Bond Issue Will Be Necessary if This Part of the City Is Soon to Have Improvements That Are Badly Needed--Fair in the Welsh C. M. Church.

The members of the West Side board of trade met in regular monthly session last evening in the rooms in the West Side Bank building. It was a well attended and decidedly interesting meeting in many senses. President A. B. Holmes presided. There was no special business to transact, and the evening was devoted mainly to the discussion of particular improvements which it was thought should be inaugurated on this side during the coming year. The need of a city market and the excellent adaptability of the site at the old stove works plant on Dockside place was discussed. The Nineteenth sewer district and the viaduct all came in for a share of the discussion. The board agreed that the issuing of a bond to cover the many needed improvements of all sorts in the city would settle the vexing question of how to get these things with no funds in sight.

DUNMORE DOINGS BRIEFLY TOLD

Large Attendance Last Night at Republican Headquarters.

MASS MEETING FRIDAY NIGHT

Cases Against Men Who Were Rioting on Throop's Land Sunday Night Have Been Settled--Colonel French Delivered a Lecture Before the School Children and Teachers in Manley's Hall--Broken Cable Delayed Travel on the Suburban Line.

Last night's attendance at the Republican headquarters was the best since the opening. Men from all parts of the borough were present and joined in an informal discussion of the issues at stake in the campaign. Burgess Powell, who is chairman of the borough committee, to a Tribune reporter expressed his satisfaction at the result of the establishing of a headquarters. "The fight," he said, "is now well under way. We have a good list of candidates, the people have been taught to believe in us, and we feel more confident than ever before of complete success."

THE CASES WERE SETTLED. The cases growing out of Saturday night's encounter of Colonel French and a band of foreigners on Throop's land were settled before Squire Cooney last night. Two of the men, it will be remembered, were committed to the county jail for a hearing last night. When the case was brought up, Constables McGrail and Loftus and the other officers who participated in the fight agreed to settle, the defendants paying all costs demanded. The prisoners were then released.

COLONEL FRENCH LECTURED. Colonel French, the lecturer, who has on several occasions entertained the school children of Scranton with his lectures, addressed two audiences of school children and teachers at Manley's hall yesterday afternoon and last evening. In the afternoon Colonel French spoke on "India," and in the evening upon "Alaska." Both lectures were given with the aid of stereopticon views. Superintendent Board arranged the lectures.

The remains were borne to the Christ Evangelical Lutheran church where the pastor, Rev. H. H. Lisse conducted the services and preached the funeral sermon. The church choir sang the selections. The church was so small to accommodate the large crowd that the hand-some casket in which the remains lay was nearly concealed by flowers. In addition to the representations from the Germania and Delaware, Lackawanna and Western Mutual Aid societies, every department under Street commissioner Dunning was well represented. At the conclusion of the services the remains were viewed and followed by a large cortege were borne to Forest Hill cemetery and laid at rest. The flower bearers were: Bill Wirth and William Fritch; pallbearers, John Lambert, William Lambarticko, Philip Thousand, Paul Zulufo, George Wentz, Jr., and John Zachow.

Stopper was judge of election, and Henry Roth and Joseph Miller were tellers. The following officers were elected: President, Peter Rosar; vice-president, Charles Rosar; recording secretary, George Reif; financial secretary, Frank Scheller; treasurer, Frank P. Kios; auditors, John Reif and Leo Albrecht; master at arms, John F. Eiden; assistant, Jacob Fisch. THEATRICAL ATTRACTIONS. My Friend from India. The performance of the Smyth & Rice Comedy company in "My Friend from India," which is scheduled for production at the Locust street theatre, is claimed, has always been received in a manner that has been most gratifying to all concerned wherever it has been witnessed. The comedy has an exceedingly bright, interesting and novel and so lively in action that there is never a moment in which to wonder at its success adequate and fail to fully characterize the mirror scene in the second act as played by John F. Ward and Helen Reimer, in which the two characters, the cleverness of the conception and dexterity of the actors interested. The entire cast of the Smyth & Rice company has been granted for its work in the comedy that made an unknown author famous in a night.

The Girl from Paris. Edward E. Rice's New York company will present "The Girl from Paris" at the Lyceum Thursday, Feb. 10. "The Girl from Paris" is a very dainty and chic production, who first has been brought two acts of the most tuneful and lively musical comedy of the day, with a train of attractive girls, who with the gay coquette create havoc among the principal male characters, ensuring them into the most surprising and ludicrous complications. The music has become very popular and some of the airs which are often heard in the city are "Sister Jane's Top Note," "So Take a Warning," "I'm In the Way from Gay Paris," "The Butterflies," "Butterfly Shooter" and others. The company is one of the strongest that Mr. Rice has ever gathered and includes some of the most popular players of the American and English stage. It is more than likely that "The Girl from Paris" will receive an enthusiastic greeting.

The Deacon's Daughter. The great farce comedy, "The Deacon's Daughter," is headed by the pretty and world known little southerner, Miss Lillian Kennedy, and supported by an exceptionally clever company of comedians. A Mother's Misery.

The story of this woman is the every day history of thousands who are suffering as she did; who can be cured as she was; who will thank her for showing them the way to good health.

The most remarkable thing about Mrs. Nellie J. Lord, of Stratford Conner, N. H., is that she is alive to-day.

No one, perhaps, is more surprised at this than Mrs. Lord herself. She looks back at the day when she stood on the verge of death and shudders. She looks ahead at a life of happiness with her children, her husband and her home with a joy that only a mother can realize.

Mrs. Lord is the mother of three children, two of whom are twins; until the twins came nothing marred the joy of her life.

Then she was attacked with heart failure and for a year was unable to attend to the ordinary duties of the home. In describing her own experience Mrs. Lord says: "I had heart failure so bad I was often thought to be dead. "With this I had neuralgia of the stomach so bad it was necessary to give me morphine to deaden the pain. "Sometimes the doctors gave me temporary relief, but in the end it seemed as if my suffering was multiplied. "Medicine did me no good and was but an aggravation. "I was so thin my nearest friends failed to recognize me. "No one thought I would live. "I was in despair and thought that my

days were numbered. My mother brought me Dr. Williams' Pink Pills for Pale People and the first box made me feel better. I continued the treatment and to-day I am well. "When I commenced to take the pills I weighed 120 pounds; now I weigh 146 and feel that my recovery is permanent. "I owe my happiness and my health to Dr. Williams' Pink Pills. My husband was benefited by them. I have recommended them to many of my friends and will be glad if any word of mine will direct others to the road of good health. "Dr. Williams' Pink Pills for Pale People have cured many cases of almost similar nature. "The vital elements in Mrs. Lord's blood were deficient. The haemoglobin was exhausted. She was unfit for the strain she was compelled to undergo. Her nervous system was shattered and her vitality dropped below the danger point. "A collapse was inevitable. "Dr. Williams' Pink Pills cured her by supplying the lacking constituents of health by filling the veins with blood rich in the requisite element of life. The heart resumed its normal action; the nervous system was restored to a state of harmony, and the neuralgic affliction disappeared. "Dr. Williams' Pink Pills are sold by druggists everywhere, who believe them to be one of the most efficacious medicines the century has produced.
